

# Validating a Microsoft Student Code

Creating an Azure for Student subscription is a three-step process.

1. Create a new Outlook.com email account
2. Redeem your Student Verification Code
3. Activate your subscription

## Step 1: Create a new Outlook.com email account:

- Open a new **In-Private Browser** session and navigate to <https://signup.live.com> and create a new Outlook.com email account
- Click on the **Get A New Email Address** button
- Add in the email address you would like to use - if the username is not available Microsoft will offer several suggestions
- Create a new password for the account
- Add in your name, country/region and date of birth and validate using Captcha
- The account will be created
- Select **More Actions** and click **View Inbox**

## Step 2: Redeeming a Microsoft Azure Student Verification Code:

- Open a new **In-Private Browser** session and navigate to: <http://aka.ms/azure4students>

It is recommended you close all browsers and open a new **In-Private Browser** session. Other log-ins can persist and cause errors during the activation step.

- Click the Activate now button to get started.
