2. You will be prompted to sign in with a personal Microsoft account. If you already have a certification profile, use the Microsoft account that is associated with it. If you don't have one, you can create a certification profile with your personal Microsoft account.

3. Provide your legal name and contact information or verify that it is up to date. Make sure that your name matches what is on the identification you will present at your scheduled exam appointment; if it doesn't match, you will not be able to sit for the exam. Once your profile is complete, select "Save and continue" (or "Continue" if you are verifying).
